

16th ANNUAL GROWING HOME BENEFIT

On May 3rd, 2018, Growing Home will host our 16th Annual Benefit to celebrate another successful year of organic farming and job training in the Englewood neighborhood of Chicago. Growing Home invites you to join us and support our work by becoming an event sponsor.

At Growing Home, we believe that everyone deserves a good job, to eat well, and to live in a vibrant, supported community.

That's why we've helped almost 500 individuals overcome the barriers created by criminal records, homelessness, or lack of job histories to become successful members of Chicago's food-based workforce.

Join us and 400 of our closest supporters to celebrate these successes. The evening will feature a cocktail hour, plated dinner, silent and live auctions, and entertainment.

Event sponsors play a crucial role in our allowing us to continue our important work. Help us reach our goal to raise \$300,000 to support our 2018 season when we will train 50 people eager to enter the workforce, and grow 35,000 lbs. of local, organic produce.

In return for your support, you'll have the opportunity to reach a diverse group of influential supporters and receive a generous package of benefits as outlined on the next page.

FOR MORE INFORMATION on Growing Home and its programs, please go to our website at www.growinghomeinc.org.

TO SPONSOR the benefit, make an auction donation, buy tickets and tables, or ask questions, please contact Vicky Nurre, Director of Development, at vnurre@growinghomeinc.org or 773-549-1336.
