

# GROWING HOME'S

## *17th Annual Benefit*

May 2nd | 5:30pm - 9:30pm  
Salvage One | 1840 W. Hubbard, Chicago, IL

At Growing Home, we believe that everyone deserves a good job, to eat well, and to live in a vibrant, supported community. That's why we've helped more than 600 individuals overcome the barriers created by criminal records, homelessness, or lack of job histories to become successful members of Chicago's food-based workforce.

On May 2, 2019 Growing Home will host our 17th Annual Benefit at Salvage One to celebrate another successful year of organic farming and job training in the Englewood neighborhood of Chicago, and we invite you to join us and support our work by becoming an event sponsor.

As an event sponsor, you will join 400 of our closest supporters to celebrate Growing Home's success and raise crucial funds to sustain our programming moving forward. The evening will feature a cocktail hour, plated dinner, silent and live auctions, and entertainment.

Event sponsors play a key role in allowing us to continue our important work. With your help, this year we hope to grow 35,000 pounds of local, organic produce and train 50 people who are eager to enter the workforce and sustain long-term employment.

In return for your support, you will have the opportunity to reach a diverse group of influential supporters and you will receive a generous package of benefits as outlined on the following pages.

**TO SPONSOR** the benefit, make an auction donation, buy tickets and tables, or ask questions, please contact Brittany Norment at [bnorment@growinghomeinc.org](mailto:bnorment@growinghomeinc.org) or 773-549-1336
